Wetstone Grinder

WG250

A wet stone sharpening system with a range of high quality jigs and accessories is essential for many woodworkers and is also an extremely useful tool for general household tasks, such as the sharpening of knives, gardening tools and many other items.

Adjustable Torque - The Record Power WG250 has adjustable torque so you can easily apply the correct pressure.

Adjustable Speeds from 90 – 150rpm - As the stone wears the diameter reduces, the WG250 allows you to adjust the speed to compensate.

Drip Guard - In addition to the polycarbonate water tray, the WG250 features a drip guard to help protect the top of the machine and re-direct drips into the main tray.

Integral Storage Tray - Perfect for convenient storage of accessories such as the stone grader & angle finder.

Includes:

WG250/C Straight Edge Jig

WG250/K Diamond Truing Tool

WG250/P Support Arm

WG250/R Stone Grader

WG250/S Honing Compound
